

# RABIES AWARENESS WEEK

## September 24-30, 2018

What You Can Do to Protect Yourself and Others from Rabies:

1. Take pets to a veterinarian for their rabies shot.
2. Keep away from wildlife and unfamiliar animals.
3. Keep your pets supervised.

## #zeroby30

Sponsored by

Let's work together to eliminate human deaths from dog-transmitted rabies by 2030.
